Anniversary Banquet
Of Bellevue Lodge

The first anniversary banquet of Bel-
levue Lodge 118 of the Independent Order
of Oddfellows, was given in the Work-
ers' hall at Bellevue on Friday night
last, and in spite of very inclement
weather was an unqualified success in
every particular.

Upwards of 120 ladies and gentlemen
were present. The catering was done by
Mrs. Carthorne, the popular proprietress
of the Bellevue Home Bakery, and the
dainty materials provided for the relief
of the anxieties of the "inner man" as well
as the work of the capable staff of at-
tendants left nothing to be desired.

After luncheon, C. R. Ritchie, as toast-
master, called upon Rev. F. T. Cook to
pronounce "The King" which was com-
pleted by the singing of the National An-
them.

Other toasts in order were as follows:

"Obedience" — Proposer, F. J. F.

Harper; Respondent, F. W. Daulton.

"The Lodge" — Proposer, W. J. Bar-
lett; Respondent, Allan Hamilton.

"The Ladies" — Proposer, Herbert

Barless; Respondent, W. F. Williams.

The social programme included several
songs by Mr. W. Shaw, a pianoforte
solo by Mr. and Mrs. H. Barless, and
"Down on the Farm" by David Hamilton,
all of which were well rendered and re-
ceived.

Dancing followed until well on into the
morning.

The committee in charge must be
congratulated upon the success attending
their efforts.

Bellevue Lodge has initiated on Oc-
tober 1st, 1914, with a membership of
72. Four months after its institution,
the lodge had two highly qualified rep-
resentatives attending the session of the
Grand Lodge of Alberta at Edmonton.

Today the lodge has a total membership
of about 125 and is continually adding
to its numbers. Bellevue Lodge can
probably challenge the fraternal organi-
zations of the province to beat this re-
cord; that at the age of one year they
have 125 members, and are represented
in the Empire's fighting lines by over
25%.

Stock Inspection

The new Stock Inspection Act re-
quires that when live stock is offered
for shipment to a point outside of the
Province, the same must be inspected
for brands, and the shipper must either
own the brand that is on the animal or
he must have a memo-
randum of sale signed by such owner.
If the animal is unbranded, the seller
must state in his memorandum how
he acquired the animal that is offered
for shipment.

All animals sold at a sale yard or
sale or exchange, stable, stock yard
or abattoir must be inspected before
payment therefor is made, as must
also animals sold on a farm to the
private stables of the seller, unless
they have been on the premises for
at least thirty days.

If a farmer raises a horse or a cow
and sells it at the farm, no inspection
is required. If he brings it into town
and sells it, it must then be in-
spected because it has not been on
the premises where sold for thirty
days.

If a resident in a Town or City
owns a horse and keeps it in his own
private stable, he may, if he has
owned it for more than thirty days,
sell it without inspection. If he keeps
it in a livery and sale stable, or if he
takes the animal there to be sold, it
must be inspected for brands at the
proof of ownership must be estab-
lished before it can be taken away or
payment therefor accepted.

Blairmore Red Cross

Members will please note that
early dues are now payable. If
some time before October 14th, as
the yearly report is then made up
and the list of members included
therein. New members, or those
desiring to pay the yearly dues, can
send the same to Mrs. Carter or
Mrs. J. R. Smith.

The Secretary acknowledges with
thanks a donation of \$1.75 in cash
from the staff of the West Cana-
dian Collieries. The amount will be
paid monthly and will greatly aid
the society in carrying on the work.

Favors Church Union

With this religious denomination that is
being worked up—union, division,
twenty or thirty different denominations
in our midst—it keeps thoughtful people
growing as to what is the proper plan
on which to tread in order that we may
reach the everlasting heaven. Searching
for light on the matter, we turned to the
Book of Books, and was much struck
with the account of the life of Moses as
being especially applicable to our time. If
the reader would turn to Exodus VI to
X, some contrast might be found therein.
In this, at all events, we can find com-
mon cause for union—but let all pray that
we be saved from the plagues—Ponoka
